Champion Care Purchases Two Wisconsin and Two Tennessee Skilled Nursing Facilities
LTC Provider Committed to Providing Quality Care and Services to WI and TN Residents

Champion Care is pleased to announce that the long-term care provider company has assumed ownership and operations of four new facilities – two located in Wisconsin and two located in Tennessee – to add to the growing company's group of communities.

The following facilities are the centers which have been acquired, the new facility names, and each facility's website:

- The Highlands of Memphis by Harborview – The Bay at Highlands Health and Rehabilitation Center – www.bay-highlands.com
- The Highlands of Dyersburg Health and Rehabilitation – The Bay at Dyersburg Health and Rehabilitation Center – www.bay-dyersburg.com
- Muskego Health Care Center – The Bay at Muskego Health and Rehabilitation Center – www.bay-muskego.com
- Green Knolls at Beloit – The Bay at Beloit Health and Rehabilitation Center – www.bay-beloit.com

“Champion Care is pleased to have the opportunity to lead these important community resources serving frail older adults in the areas around the communities of Waukesha and Rock Counties in Wisconsin and the City of Memphis and Dyer County in Tennessee,” said Mark Ruvel and Izzy Weinberg, Managing Partners of Champion Care. “We thank the staff and leadership of each of these facilities for their commitment to providing quality care to those who need it in their communities, and thank the Patients, Residents and their families for the honor of providing care and services to them and their loved ones.”

Started in 2017, Champion Care owns and operates 16 skilled nursing facilities and 1 assisted living community in Wisconsin, Tennessee, and New Jersey. The Mission of Champion Care is to provide quality services to our residents and their families, by assisting and enabling every resident to attain his or her highest potential. As a community of health care providers, Champion believes and strongly encourages our staff to treat every resident with the utmost respect and dignity, as if they were their own parent. As part of this mission, Champion strives to be the best provider and employer in each of its communities.

“Champion Care remains committed to ensuring that the transition for each of these facilities moves as smoothly as possible with minimal (if any) impact on our Patients, Residents, and their Families. During this transition and moving forward, our experienced Team will work hard to advance each facility's overall, health inspection, staffing, and quality measures,” Ruvel and Weinberg said.

In announcements to Patients, Residents, and their families of each facility, Ruvel and Weinberg said, “On behalf of the Champion Care Team of skilled and experienced administrators, clinicians, and caregivers, we are honored to have the opportunity to care for

you or your loved one. We know that you call this facility your 'home' and our capable and qualified Team of clinicians and caregivers will do everything possible to create a home-like atmosphere for you or your family member."

In an announcement to the staff of each facility, Ruvel and Weinberg said, "Champion Care wants to make this facility a good workplace home. Please know that our entire Team wants to do everything we can to make this transition as smooth as possible for you and your colleagues."

The Bay Health and Rehabilitation Centers welcome any members of the communities around any of their facilities interested in becoming a part of the company's Team of Caregivers to apply for open positions. For more information on employment opportunities, please go to each community's website, or go to www.championhcare.com/locations/ to find a complete listing of Champion Care's communities, and each facility's website.

"Champion Care is always interested in hearing the perspective of all members of the community with new ideas about how to advance the care and services that our facilities provide to those who we serve," Ruvel and Weinberg said. "At The Bay Health and Rehabilitation Centers, our Team of Caregivers believes in providing the opportunity for each resident to live their best life."
